Chairman's Notes 2023

As I come to the end of my first year as RSBA chairman, the committee are reflecting on a successful 2022 and are preparing for a very exciting 2023 ploughing match and luncheon.

2022 saw a full recovery from the effects of the pandemic years with on farm classes being very well supported. I'd like to thank all the stewards for taking the time and effort to ensure the classes have a good number of entrants and indeed for taking judges around and showing great hospitality.

The 2022 ploughing match and luncheon was held at Kensham Farms by kind permission of the Edgley family. Despite the drizzly start, we saw some fantastic ploughing and lots of well turned out trade stands and the sun eventually came out in time to welcome over 350 guests for lunch.

We are looking forward to our farm walk this June kindly hosted by our very worthy, Kings cup winners, the Lacey Family.

I'd like to finish by thanking all members of the executive, and ladies committees for their ongoing work and support, in particular John Whitby who is working hard as acting honorary secretary to ensure preparations for the 2023 show run smoothly.

I look forward to seeing you all in October.

Mikey Swerling

A note from the Treasurer 2023

Losses for the year ending 30/11/22 were £3,913 against £2,156 for the previous year, an increase of £1,757. The main factors being the general cost increases following the pandemic and specifically that the cost of the ploughman's match lunch was decided before all the costs were known. Last year the meal was advertised at £48 but the cost of the meal was £47. This year the committee decided it would be prudent to only decide the ticket price for the lunch once the costs were known.

Income :

Total income was £32,532, £7,049 higher than previous year.

-Subscriptions £1,856 are slightly down only 107 members in 2022.

-Donations £1,303 this shows a small increase of £609.

-Auction and raffle – these were very good in terms of income. £6,109 some £2,843 higher than previous year. Comprising Ploughing match auction £1,679, Ploughing match raffle £3,642 and winter lunch raffle £788. Card machines were used for the first time this Year.

-Advertising and trade stands showed a slight increase. £2,084 against £1,720 for the previous year.

Expenses :

Total Expenses were £36,445 , £8,806 higher than previous year.

-Luncheon expenses were £3,045 higher than previous year.

- The large increase in expenditure was the Infrastructure costs. The hire of tents, toilets, crew, equipment, water bowser and PA system amounted to almost £12,000.

-All other costs were in line with other years.

The above give an overall shortfall of £3,913.

The Balance Sheet shows net assets of £21,511. This includes a generous donation from the Leonard family for a kick start fund.

Looking Forward.

Given the deficits incurred in the last 2 years a review was undertaken of measures to improve financial performance going forward. The decisions are as follows:

(a) Subscriptions

Subscriptions have not been increased for 20 years and so it has been agreed to increase subscriptions as follows:

Household rate to be raised from £15 to £30

Vice President rate to be raised from £20 to £40.

Change payment date to the start of the financial year, ie, 1st December 2023, for the financial year ending 2024 so that there is time to adjust direct debits and standing orders.

(b) Advertising and Trade Stands.

It was agreed to increase the price of Trade stands and advertising in the Schedule as follows:

Trade Stand £100

Advertising Full page £75

Advertising Half page £40

Grant Kirkby

Honorary Treasurer

The RSBAA Kick Start Fund

In memory of Paul and Pam Leonard a generous donation has been made by their daughters Charlotte and Emma. The donation is principally to support to enable younger members of our community to engage in personal development activities to benefit their businesses and the wider agricultural community.

Open to all RSBAA members, their families and includes those working in their business, the RSBAA Kick Start bursary can be used for example in domestic and international travel to attend conferences or to gather new knowledge and experiences. It could also be used towards start-up costs for a new enterprise.

The RSBAA wants to inspire you to apply your ingenuity and forge positive change. Your ability to think differently will be looked upon favourably and all ideas that could lead to positive change will be considered.

If you would like to apply to be considered for this unique award, please contact secretary@rsbaa.co.uk for further details or check our website www.rsbaa.co.uk

The Gilbert Lidstone Award

This award was donated by the Lidstone family in memory of their father Gilbert. One member benefitted from this a few years ago but it has not been applied for recently. If you have an idea about travelling for further experience in agriculture, please contact secretary@rsbaa.co.uk for more details or check our website www.rsbaa.co.uk

ORGANIC BEEF AND LAMB

The Portman Burtley Farm is home to over 200 organic South Devon, Hereford and Simmental cattle and a small flock of Poll Dorset ewes both of which are Red Tractor assured. Our cattle and sheep extensively graze over 1,000 acres of organic grass-land. This extensive system and grass diet means our beef and lamb matures naturally and develops a fuller, richer and more succulent flavour. The farm is now offering organic beef and lamb directly to the public. Each order, however large or small, can be individually tailored to your requirements and then collected directly from the farm. A large variety of meat cuts are available as well as pies and burgers.
